Bathing Embellishments

Conceived back in 1975, the Raj metal works has been built on the platform of the highest quality standards, aesthetics and the intent of providing world-class products. Today, Raj metal works caters to luxury, premium and value bathroom segments under the brand name Florence, for residential and commercial sectors across India. Our Vision is to be the brand that inspires people to rediscover the joy of water. Our brand offers complete bathing solutions that includes a wide range of products that have been beautifully designed aesthetics to make the bathroom a relaxing, refreshing, joyful space as well as the highest built quality to ensure that they can withstand tough usage conditions, backed by a 10-year warranty. Florence has been in existence for 5 decades. Florence has been standing tall in the Indian bath fittings industry since 1975 by delivering great performance at a low cost. And enabling Indian consumers to live a better quality of life through good sanitation and affordable housing.
